

WHAT YOU NEED: cardboard, foam core, or wooden crosses (cut one out however big you want); supplies to decorate the cross (stickers, paint, yarn, glue, jewels, whatever you have in your home!)

WHAT YOU DO:

- Encourage kids to decorate their crosses in any way they like

WHAT YOU SAY:

[Make It Personal] (Talk to kids about when and where you like to pray.) "Have you talked to God?"

Where do you like to pray? (Pause for responses.) God loves you so much, and He wants to hear from you anytime and anywhere. Let's say our Bottom Line together. **[Bottom Line]**

You can PRAY anytime, anywhere, about anything. Why don't you hang your beautiful cross up somewhere you will see it so you can be reminded every day that you can talk to God. **[Bottom Line]** **You can PRAY anytime, anywhere, about anything.**
